## **Making Word Blocks**

## **Game Instructions:**

(One player)

- 1. Cut out all of the word endings and organize into piles.
- 2. Place the word ending game board in front of your student.
- 3. Have your student start with ong ending and work his/her way to the unk ending. Start at the bottom of the chart and have your student place the correct ending next to the letter. Then have him/her read the combined word. Do one column at a time working from bottom to top.
- 4. For every word your student reads correctly, he/she gets one point.
- 5. The goal of the game is to get the most points.

## **Game Instructions:**

(2 or more players)

- 1. Cut out all of the word endings and organize into piles.
- 2. Each student will need his/her own word ending game board.
- 3. Place the word ending game boards in front of your students.
- 4. Start with one student and have him/her start with ong ending and work his/her way to the unk ending. Start at the bottom of the chart and have him/her place the correct ending next to the letter. Then have him/her read the combined word. Do one column at a time working from bottom to top.
- 5. Alternate students from word to word within the columns.
- 6. Every word read correctly gets one point.
- 7. The winner of the game is the student that gets the most points.
