# Which Head is the Correct Ed?

### **Game Instructions:**

# (One Player)

- 1. Cut out all the heads.
- 2. Place the yellow, green, and purple heads in a row face up.
- 3. Shuffle the blue heads and place them face down in a random pile far enough away from the 3 other heads so that your student has to move.
- 4. Set a timer for 1 minute.
- 5. Start the timer and have your student place as many blue heads on the correct sound head as he/she can.
- 6. Once time is called, check to make sure that your student placed the blue heads in the correct pile.
- 7. Then have your student read the words in each pile.
- 8. For every word your student reads correctly, he/she gets one point.
- 9. Total up the number of points your student got and match it to the score sheet.
- 10. Have your student place a sticker in the correct spot.

# **Ed Checkers**

### **Game Instructions**

# (One Player)

- 1. Place the blue diamond checker board between you and your student.
- 2. Get out 16 checker chips and divide them evenly between you and your student.
- 3. Have your student place his/her 8 checker pieces on the eight diamonds closest to him/her. Do the same on your side of the game board.
- 4. Take turns moving your checker pieces forward one diamond at a time. If you move onto a space with a word, you must read the word on the space. In order to get out your opponent's checker pieces, you must jump over his/her checker pieces onto an open space on the board.
- 5. Continue play until someone gets out all of his/her opponent's checker pieces.
